Community Service – Making a Difference Every Day

"Service, Not Self" is more than just our motto—it's the heart of what Auxiliary members do. Across the country, we are dedicated to making our communities stronger, safer, and better places to live.

There are countless ways to serve—here are just a few ideas to inspire you:

Ways to Serve Your Community

- Assist with local blood drives
- Organize or support a food drive
- Collect winter coats or socks for those in need
- Gather school supplies: binders, paper, pens, pencils, sharpeners, rulers, crayons, and more
- Reach out to someone in need and check on their well-being
- Shop for someone who cannot leave their home
- Participate in or support walk-a-thons and fundraising events
- Create postcards to thank neighbors for flying the American flag or teach others how to properly retire a worn flag
- Host a yard sale and donate proceeds to a charitable cause
- Volunteer at your church, library, food bank, soup kitchen, or hospital
- Start a community garden for a local food pantry or soup kitchen
- Organize a neighborhood cleanup day
- Help a neighbor with yardwork—mowing, raking, or shoveling snow
- Host a movie night to raise funds for a local cause

Every Act of Service Matters

No matter how big or small, every act of kindness makes a lasting impact. Together, we carry out the Auxiliary's mission by strengthening our communities and bringing hope to others—living out our promise of Service, Not Self.
