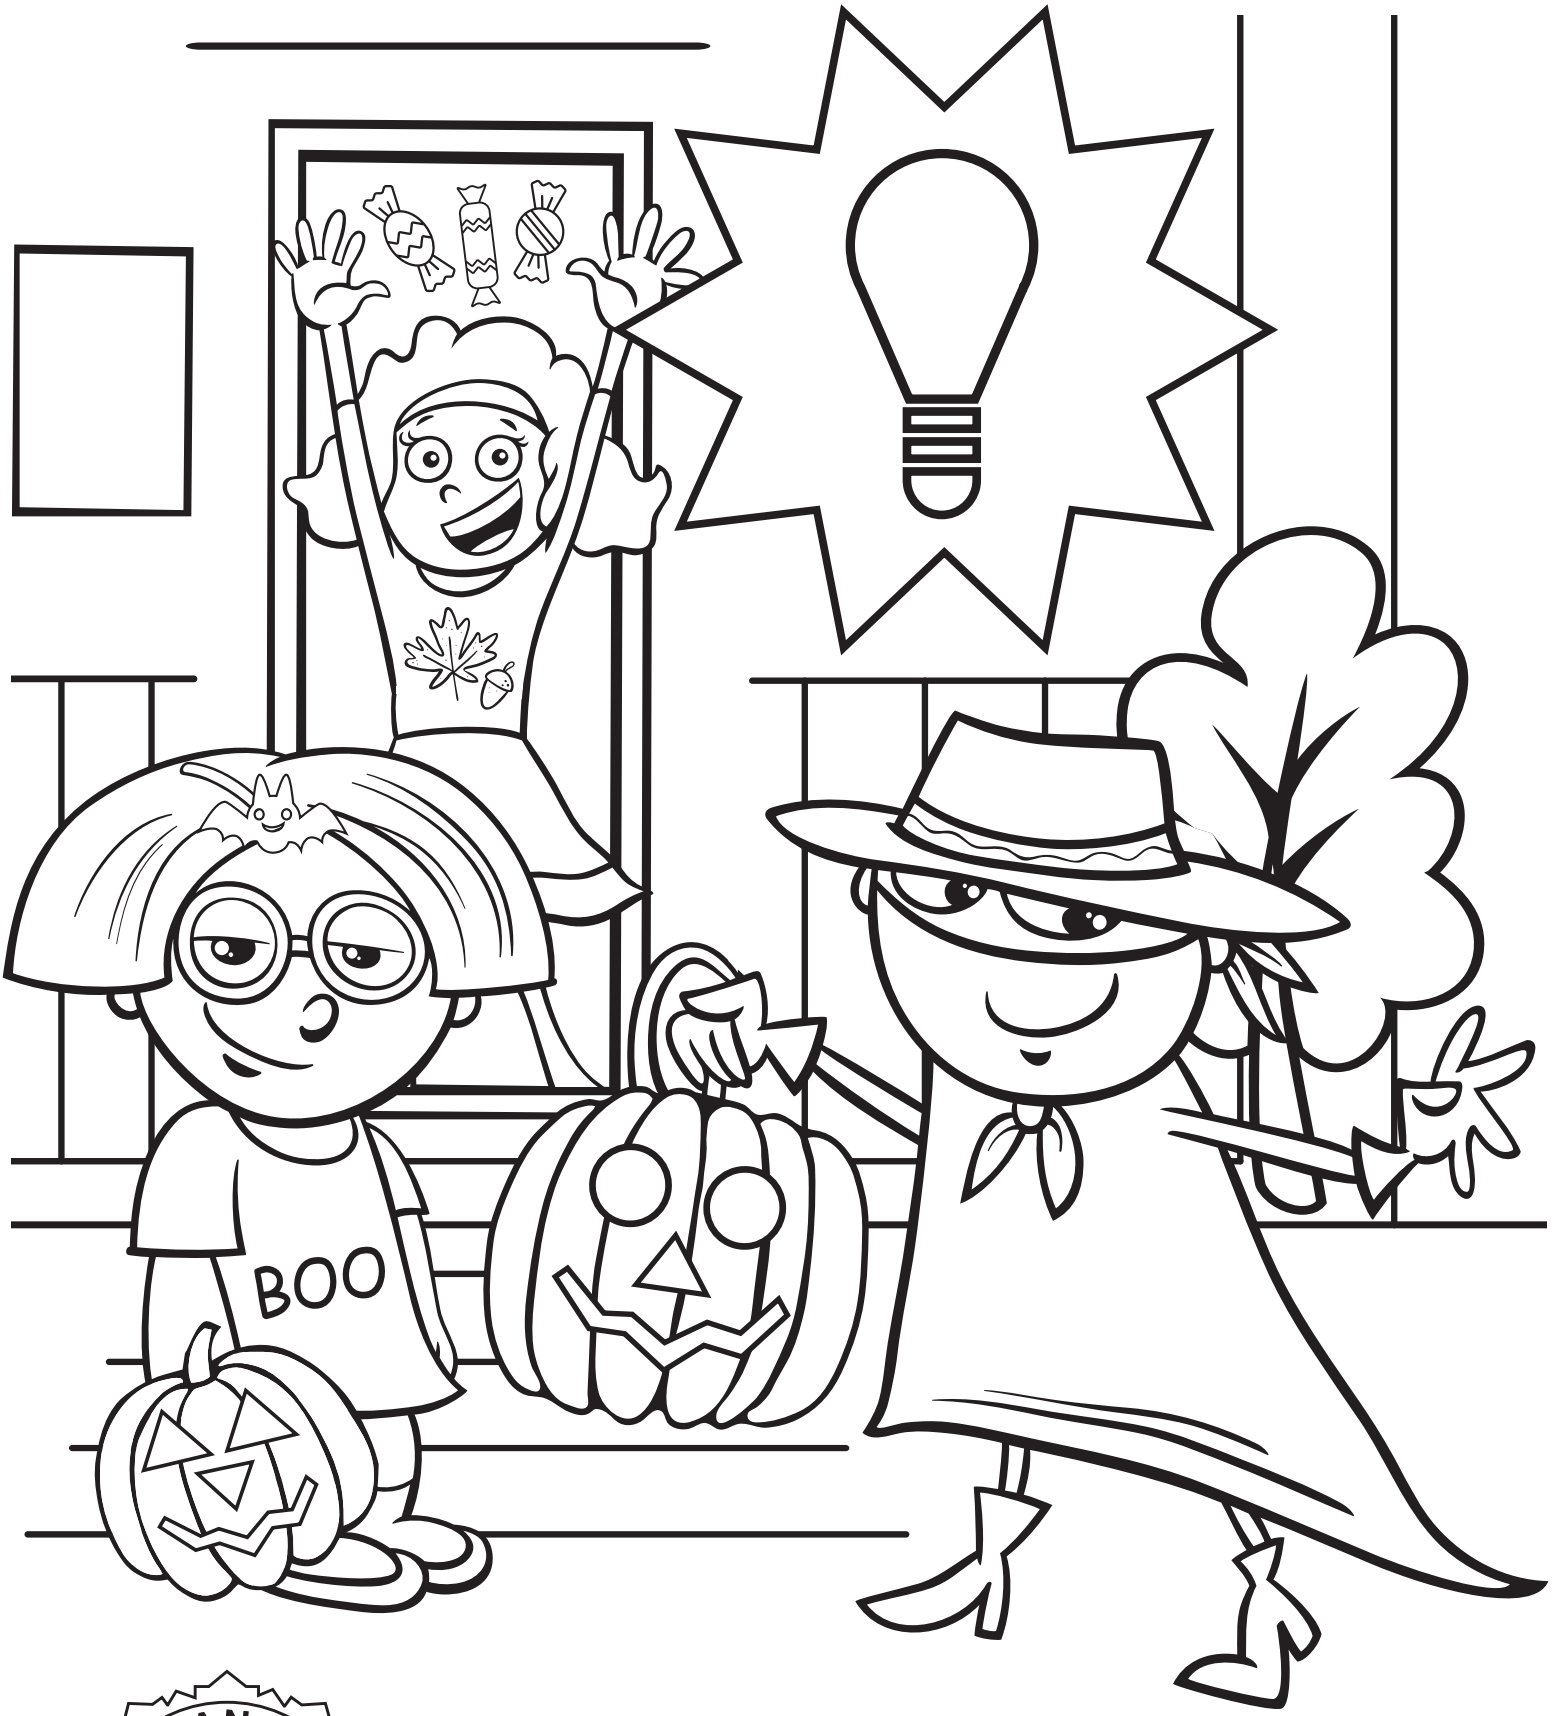
Have A Safe Halloween!

American Legion Auxiliary Coloring Book

Wear a costume, facepaint, or mask.



Only trick-or-treat at homes with porch lights on.

Always carry a flashlight or glowstick, and use reflective tape or stickers on your costume and bags.

Always remember to look both ways before crossing the street.

Take a parent or grown-up along when you're little.

Wait until you get home to taste
your treats, with first having
a parent or grown-up look them over.

Additional Safety Tips for Parents/Guardians:

- Review all rules with children before trick-or-treating.
- Make sure children know their phone number and address.
- Teach children how to dial 911 and how to talk to the dispatcher.
- Costumes should fit properly so children aren't in danger of tripping or falling.
- Put electronic devices away to better watch your children's safety.
- Teach your children to always use sidewalks and crosswalks.
- Walk — don't run — while trick-or-treating.
- Trick-or-treat only during your town's designated hours.
