Past Presidents Parley

2024-2025

"Butterflies on the Wings of Love"

ALA Dept. of CT Past President's Parley Club

Dear Past Presidents,
I would like to Thank the PPPC for electing me to this position.
Our Club is open to ALL Past Department Presidents, Past District Presidents and Past Unit Presidents. Our focus is on raising money mostly through donations for our grants for students who are continuing their education after high school students.

We usually meet twice a year for our Spring Parley and a meeting at the Department Convention, both are usually luncheons. I am working on a place to hold our Spring Parley as well as setting up a meeting of my committee. We will be working on the By Laws that need to be updated. Please think about joining us.

The committee for this year is as follows:

President Sandra Cruz
Vice President Rosemarie LaBossiere
Secretary Alycne Welton
Treasurer Patty Krajewski
Grant Chairman Marie Delaney
Please contact me if you have any questions or ideas.

Thankyou,
Sandra Cruz
